Serial No.

Letter No. 7756-57/E dated 21-5-1946 from the Chief Engineer for Irrigation.

Requests sanction to the revision of the scale pay of the mechanic at Thippagondanahalli from the fixed pay of Rs 30/- to Rs 40-4/2-56.

The scale pay of the mechanic attached to the Combined Tenali Filters at Bangalore was revised from fixed Rs 30/- to a graded one on Rs 40-4/2-56 in Go No PW 5899-900 dated 17-6-1945 on account of the special nature of the duties he was expected to do at the Combined Tenali Filters.

2. The Chief Engineer reports that the duties of the mechanic at Thippagondanahalli Water Works are equally onerous and important as those of the mechanic at the Combined Tenali Filters and requests sanction to the scale pay of the former being revised from fixed Rs 30/- to a graded one on Rs 40-4/2-56. The extra cost involved is Rs 20/- p.m. or Rs 240/- per annum. The pay of the mechanic is debitable to the W.S. estimate of Thippagondanahalli Water Works.

3. The proposal requires financial concurrence. If the proposal may be sanctioned

Mechanic at Mirpurkhas

5936 P.W.

File No. of 194 . | Public Works Secretariat

Serial No.

The pay of the mechanic at C.I.P was raised recently on 17/4/46 from Rs 30 fixed to the grade 40-5/2-56, on the ground that the work is of a responsible nature & deserves a higher grade.

Having got this sanctioned so as to serve as a precedent, the C.I.P now wants the same higher grade to another mechanic at T. Helly who is equally efficient & doing as important work as the one at C.I.P. for whom a higher grade was sanctioned. Perhaps all mechanics will in due course be recommended for the same treatment as precedents are now being established.

Having sanctioned the first case, the case recommended now has also to be sanctioned.

Encls.

OFFICE OF

the Chief Engineer for Irrigation

in Mysore, Bangalore,

Date 21-5-46

To

The Secretary to Government,

Public Works Department,

Bangalore.

Sir,

P. W. SECRETARIAT.
5936
Date 24/5/46

Revision of the pay of Mechanic at Thippagondanahally.

I have the honour to state that Government in their Order No. P. W. 8279-81 dated 6-6-1944 have sanctioned the entertainment of a Mechanic on Rs. 30/- per mensem for work at Thippagondanahally, the cost being debited to the A. M. Estimate.

2. As the Mechanic is expected to attend to important works, such as major repairs of pumps, etc., the services of a well trained hand are quite necessary. These important works cannot be in the ordinary course be attended to by the Operators or Shift Drivers. In these circumstances, the Executive Engineer, Water Supply Division recommends that the post of Mechanic on Rs. 30/- be converted into a graded post of Rs. 40-4/2-56.

3. In Government Order No. P. W. 5899-900 dated 17-4-1945, Government were pleased to revise the pay of the Mechanic at Combined Jewel Filters from Rs. 30/- to Rs. 40-4/2-56. As the duties of the Mechanic at Thippagondanahalli are equally onerous and important as that of the Mechanic at Combined Jewel Filters and as there must be parity in the pay of appointments of the same designation with identical duties, I agree with the recommendation of the Executive Engineer and request that sanction of Government may kindly be obtained and communicated to revise the pay of the Mechanic at Thippagondanahally from Rs. 30/- to Rs. 40-4/2-56. The extra cost involved on account of the above proposal will be Rs. 20/- per mensem.

I have the honour to be,
Sir,
Your most obedient servant,

GCS/20th.

CHIEF ENGINEER FOR IRRIGATION.
